Yesterday Q.P.S went to South Geelong station. We went had to be there by 8:30am because the train was going to leave at 8:42 the train was not going to wait for anyone. After that it was time to go. When we left south Geelong station our next stop was Parliament station. After that, while we were waiting to go to the next station, I sat with Vanessa, Jaxon and Jessica. While we were waiting to stop at the next station we played paper scissors rock but I was to good because I kept on winning so then we talked and laughed and looked out the window and then we went back to South Geelong station and our mums and dads took us home
