

STUDENT WELLBEING AND ENGAGEMENT POLICY

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Queenscliff Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Queenscliff Primary School is a small, regional, government school in Queenscliff, on the Bellarine Peninsula. In 2016, the school had a total enrolment of 10 students which was consistent over several

previous years. The school had a new acting principal and undertook an out of cycle, extended peer review at this time. Throughout the 4 year period of the current Strategic Plan, the school has experienced considerable enrolment growth, and in 2021 has an enrolment of 157 students. There are currently seven classes (2x prep, 1x year 1, 2x 2/3, 1x 4/5 and 1x 5/6) and staff include 1x full-time principal, 1x full-time learning specialist/assistant principal, 7 full-time generalist teachers, 2x .5 classroom teachers, 7 part-time classroom education support staff, 1 full-time and 1 part-time administration staff and 4 part-time specialist teachers. Comprehensive School Wide Positive Behaviours Support and Respectful Relationships programs underpin Queenscliff Primary School's values of Gratitude, Optimism, Empathy and Integrity and are providing a consistent approach to building a supportive and caring culture for all students. Queenscliff Primary School's mission is to provide rigorous, purposeful and comprehensive learning programs that empower all students to achieve the highest quality of academic success. There is a holistic approach to learning which encompasses extra-curricular disciplines including; extensive arts, language, science, health and wellbeing programs. The school aims to provide multiple exposures to enable students to live in, and contribute to an ever-changing society, whilst working collaboratively within and beyond the school community. Queenscliff Primary School's objective is to cultivate creative, resilient, respectful, and inclusive learners who achieve their potential and become responsible, independent citizens who care about themselves, others and their environment.

School values, philosophy and vision

Queenscliff Primary School's values are Empathy, Integrity, Gratitude and Optimism.

At Queenscliff Primary School we share vision to 'learn for the future', providing rigorous, purposeful and comprehensive learning programs that empower our students to achieve the highest quality of academic success. Our holistic approach to learning encompasses extra-curricular disciplines including; extensive arts, language, science, health and wellbeing programs. We aim to provide multiple exposures that enable students to live in, and contribute to an ever-changing society, whilst working collaboratively within and beyond our school community.

Our school values - Empathy, Integrity, Gratitude and Optimism - serve to cultivate creative, resilient, respectful, and inclusive learners who achieve their potential and become responsible, independent citizens who care about themselves, others and their environment.

2. Engagement strategies

Queenscliff Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

Universal

- high and consistent expectations of all staff, students and parents and carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
- teachers at Example school adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community
- carefully planned transition programs to support students moving into different stages of their schooling
- positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
- students have the opportunity to contribute to and provide feedback on decisions about school operations through the Student Representative Council and other forums including student teams (Green Team, Pet Squad, Library Team etc)
- create opportunities for cross—age connections amongst students through school productions, athletics, music programs and peer support programs (buddies)
- we engage in school wide positive behaviour support and Respectful Relationships with our staff and students
- opportunities for student inclusion (i.e. sports teams, clubs)

Targeted

- each sub-school group has a Leader/Coordinator, responsible for their sub-school PLC, who monitor the health and wellbeing of students in their years, and act as a point of contact for students who may need additional support
- wellbeing and health staff will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff each year
- staff will apply a trauma-informed approach to working with students who have experienced trauma

Individual

- Individual Learning Plan and Behaviour Support Plan
- Program for Students with Disabilities
- referral to Student Welfare Coordinator and Student Support Services
- referral to ChildFirst, Headspace

Queenscliff Primary School implements a range of strategies that support and promote individual engagement. These can include:

- building constructive relationships with students at risk or students who are vulnerable due to complex individual circumstances
- meeting with student and their parent/carer to talk about how best to help the student engage with school
- developing an Individual Learning Plan and/or a Behaviour Support Plan
- considering if any environmental changes need to be made, for example changing the classroom set up
- referring the student to:
 - school-based wellbeing supports
 - Student Support Services
 - Appropriate external supports such as council based youth and family services, other allied health professionals, headspace, child and adolescent mental health services or ChildFirst

Where necessary the school will support the student's family to engage by:

- being responsive and sensitive to changes in the student's circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student

3. Identifying students in need of support

Queenscliff Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Example School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- engagement with families
- self-referrals or referrals from peers

4. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school

- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

5. Student behavioural expectations

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Queenscliff Primary School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Queenscliff Primary School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Sub-School Coordinator
- restorative practices
- behaviour reviews
- suspension
- expulsion

Suspension and expulsion are measures of last resort and may only be used in particular situations consistent with Department policy, available at:

<http://www.education.vic.gov.au/school/principals/spag/participation/pages/engagement.aspx>

Corporal punishment is prohibited in our school and will not be used in any circumstance.

6. Engaging with families

Queenscliff Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website
- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students.

7. Evaluation

Queenscliff Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21
