

PARENT PAYMENT ARRANGEMENTS 2025

Year 3/4

Dear QPS Families,

Queenscliff Primary School is looking forward to another great year of teaching and learning and would like to advise you of Queenscliff Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to financially support learning programs and to maintain and develop our school's buildings and grounds. Without your curriculum and other voluntary contributions we would not be able to provide the quality learning programs in a safe and stimulating environment that we take pride in.

Queenscliff Primary School is a **non-profit organisation**. The difference between funds provided by the Department of Education and Training through the Student Resource Package and those required for this school to operate to the high standard we expect, leaves a shortfall which our School Council attempts to raise through fundraising, and the voluntary financial contributions which are detailed in [Table 1 on page 4 & 5](#).

We use an online purchasing system through WINC for our book packs, where you can also pay for any voluntary contributions as well. Information is attached to this letter showing how to order. Book packs are then delivered to your home during January. For further information on the Department's Parent Payment Policy please visit our school's website. We thank you for your financial contribution to the school so we can continue to add value to your child's education.

FREE DELIVERY: WINC are offering free delivery to your home address if your order is completed through the WINC portal by 6th December 2025 and if the order is over \$60. All orders after this date will be required to pay a delivery fee of \$10.95.

Students are required to bring their stationery book pack supplies to school on their first day, Thursday 30 January. Students are encouraged to label their books with their name. Please do not label individual stationery items, including pencils, sharpeners and rubbers. There will be Curriculum Days on Tuesday 28 January and Wednesday 29 January.

Extra-Curricular Items and Activities – School Saving Bonus

Queenscliff Primary School offers a range of events, excursions and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the Curriculum. These are provided on a user-pays basis.

After reviewing this arrangement, we will not be adding the extra-curricular events, excursions, uniforms and activities to the WINC booklist, however you will be able to pay them through Compass on a pay as you go basis. Payments may also be made anytime in advance, and this will sit on your family account and be allocated once the charge is put on.

Families will be able to access the *School Saving Bonus* of \$400 per child provided by the Government to pay for school uniforms, camps and excursions. Payments for excursions, events and camps in 2025 are not included in the voluntary financial contributions from families or outlined on the online purchasing system through WINC. Costs to families for these events will be outlined on Compass throughout the year in 2025 as the events and excursions arise. Families will be able to use funds from the *School Saving Bonus* to assist in paying for school events and excursions.

School photos are ordered and paid for directly to the company.

Financial Support for Families

Please refer to Queenscliff Primary School's Refund policy on the school website.

Thank you for your support and valued contributions to our school. We greatly appreciate your voluntary contribution to enable us to deliver high quality educational programs and a supportive learning environment where all students can learn, grow and thrive.

Schools can request contributions from parents under three categories:

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.
